— CORPORATE HERITAGE & CAPABILITY

Pioneering Integrated Facility Excellence

A heritage of dependable service delivery, rigorous statutory transparency, and strategic enterprise partnerships across India's premier industrial corridors.

SUNRISE STAFFING SOLUTIONS PVT. LTD. was established in 2006 under the visionary stewardship of **Mr. Kiran Vishnu Panchpute**. Founded in Pune, Maharashtra, the organization emerged to bridge a vital industrial need: delivering dependable, high-caliber integrated facility management and skilled workforce solutions that allow manufacturing leaders to concentrate entirely on their core production goals.

Over nearly two decades of uninterrupted operations, Sunrise has evolved from a boutique labor contractor into a premier integrated facility management partner. Today, Sunrise manages complex manufacturing campuses, automotive assembly lines, IT parks, logistics hubs, and executive guest facilities.

Our operational philosophy rests on an uncompromising foundation of 100% statutory adherence, proactive supervision, rigorous workforce training, and continuous investment in human capital.

2006	20+	30+	100%
Year Established	Years of Experience	Enterprise Clients	Statutory Compliance

100% Statutory Transparency

Flawless compliance with PF, ESIC, Professional Tax, GST, Minimum Wages, and Labour Welfare laws, validated by consecutive corporate awards.

Industrial Safety & Quality

Comprehensive PPE enforcement, certified SOPs, and zero-compromise safety protocols recognized by top global industrial manufacturers.

Multi-Skilled Workforce

Screened, trained, and verified operational personnel deployed seamlessly across manufacturing, logistics, and corporate environments.

Single-Point Accountability

Consolidating housekeeping, security, staffing, and technical support under a single dedicated SLA to optimize operational overheads.

STRATEGIC PURPOSE & COMMITMENTS

Vision, Mission & Client Commitments

Setting the national benchmark for world-class integrated facility systems with ethical management, motivated personnel, and client-centric execution.

Our Vision

"To create a world-class integrated facility management system in India, entailing the finest team of motivated professionals recognized across industries for excellence in FMS."

Our Mission

"While you focus on your core business, we manage your facilities up to your highest expectations with dependable standards, integrity, and proactive care."

Our Objective

"To provide efficient property management and fully integrated single-contract solutions that optimize operating costs and elevate campus reliability."

What Industry Leaders Expect & How Sunrise Delivers:

- **Reliable Services at Optimum Cost:** Transparent pricing without hidden overheads.
- **Hygienic & Safe Workplaces:** Cleanroom standards and industrial-grade sanitization.
- **Motivated & Skilled Teams:** Regular training, fair compensation, and employee welfare.
- **Rapid & Timely Mobilization:** Strict adherence to on-time workforce scheduling.
- **Single Point of Contact (SPOC):** Dedicated account managers for immediate resolution.
- **Complete Legal Immunity:** 100% compliance shielding clients from statutory liabilities.

Leadership Philosophy

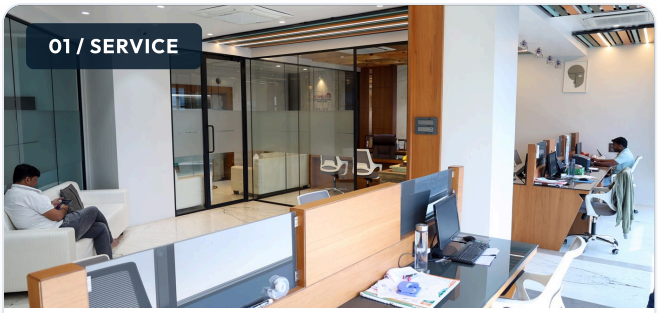
"Facility management is the backbone of manufacturing efficiency. Our mandate is simple: ensure that every shop floor, office, and campus we maintain operates seamlessly, safely, and cleanly so our partners can focus on building India's industrial future."

— Mr. Kiran Vishnu Panchpute, Managing Director

— COMPREHENSIVE SERVICE CAPABILITIES

Facility & Staffing Solutions (Part I)

End-to-end workforce deployment, physical security, executive transportation, and corporate guest house facility management.



Staff Management

We manage staff productivity and morale under challenging situations. Clear communication ensures employees understand exact organizational expectations while cultivating traditions that raise equity.

- Productivity optimization & KPI tracking
- Workforce motivation & talent development
- Biometric attendance & computerized records

Security Management

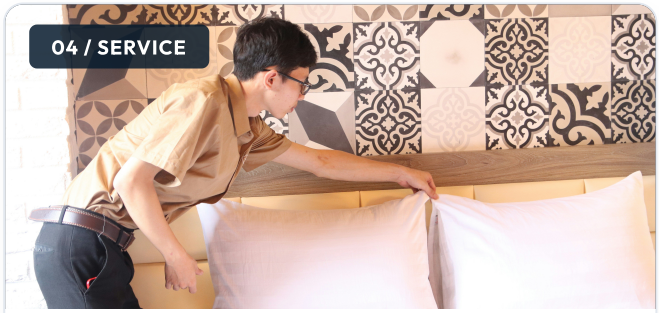
Reliable security personnel and perimeter protection solutions tailored for corporate, governmental, and industrial campuses. Rigorously trained personnel handle emergency and access control protocols.

- Round-the-clock manned security guarding
- Visitor management & material gate pass checks
- Emergency response & fire safety drills

Driver Management

Professional transportation support designed around corporate and industrial transit requirements. Licensed, vetted, and courteous chauffeurs ensure punctuality, road safety, and discreet service.

- Verified commercial & executive chauffeurs
- Plant transit & internal logistics shuttles
- Vehicle logbook & preventive inspection



Guest House Facility

End-to-end hospitality operations for industrial guest houses and visiting international corporate guests. We handle housekeeping, culinary services, laundry, and round-the-clock care.

- Complete property upkeep & linen care
- Nutritious dining & chef management
- 24/7 guest reception & concierge support

INDUSTRIAL OPERATIONS & TECHNICAL SUPPORT

Facility & Staffing Solutions (Part II)

Systematic housekeeping, outsourced contract labor, dedicated job work, and heavy industrial material handling.

Housekeeping

Systematic process-driven sanitation for immaculate corporate and factory environments. Our teams utilize modern mechanized cleaning equipment, eco-certified chemicals, and strict hygiene protocols.

- Mechanized shop floor & warehouse scrubbers
- Corporate workstation & restroom sanitation
- Waste disposal & environmental compliance

Labour Contracts

Outsourcing screened contract laborers tailored to industry skills and workforce demands. Every laborer is deployed only after rigorous background checks, trade skill tests, and safety orientation.

- Skilled, semi-skilled, and general workers
- 100% PF, ESIC, and Wage Act compliance
- Scalable staffing for seasonal production spikes

Job Work

Dedicated operational support for specialized industrial tasks including sub-assembly, quality inspection, deburring, kitting, and secondary packaging under stringent customer-defined tolerances.

- Component sorting, visual inspection & deburring
- Secondary packaging & barcoding solutions
- Output-linked service level agreements

Forklift Services

Industrial material-handling support for manufacturing plants, heavy engineering, and logistics hubs. Operated by certified, safety-trained drivers adept with diesel, electric, and reach trucks.

- Certified, licensed forklift & stacker drivers
- Warehouse loading, unloading & bay staging
- Zero-incident safety & daily equipment checks
